You Will Need:

SKATES WITH GUARDS You will need skates. Rental skates are available at the arena. Always wear guards on your blades when not on the ice. Skate blades stay sharp longer with proper care. **No double-bladed skates!**

When purchasing skates...A good, snug fit is important for proper support. Take along thick socks and allow a little extra room for growth.

FIGURE SKATES: Leather boots are best. Riedell, SP Teri, and Harlick are some of the better brand names.

HOCKEY SKATES: Molded plastic or leather skates are fine. CCM, Bauer, Nike, Lange, Mission and Riedell are some of the better brand names.

CLOTHING We recommend that group class participants wear gloves or mittens and a jacket that will allow free movement. Parents/guardians of younger children should also consider dressing them in snowpants, as they will help to cushion falls and keep them warmer.

HELMETS Tots and Beginners are encouraged to wear helmets. Inexpensive floor hockey helmets or bike helmets are available at your local athletic outfitters.

PARENTS, please watch your child from the bleachers or stay behind the plexiglass.
